volunteer form, or for more
information please call
(989) 733-4369!

**20902 Washington Ave.
Onaway, MI 49765**

WE NEED YOUR HELP!

Industrial Arts Institute is dedicated to creating a premier experience for our students that travel from several regions. With your help, we would like to enhance their Northeast Michigan experience by creating a welcoming environment where current students can spend time after hours practicing welding or networking with peers! Volunteers will oversee the facility. Welding experience or knowledge is not required, but desirable.
